

Why Should I Trust the Bible?

Step 2 Video 3

Key Points:

- Trust in the word of God and the legitimacy of the Bible is key to laying your foundation in God!
- The world is constantly trying to disprove the gospel with false accusations against its legitimacy and accuracy, but we know that it isn't true! We have more manuscripts than all of the famous philosophers.
- God's word has stood the test of time, nothing in life could be truer. **2 Peter 1:21**

Talk About It:

1. What makes the Gospels and other letters in the New Testament legitimate? **Luke 1:2-4** / **2 Peter 1:16**
2. Why were the disciples willing to go to such extreme lengths for the truth of the Gospel?
3. Why is it important to know the time gap, from the author originally writing it to the time of the first copy?
4. Why in the world should we believe in the bible?
