

Disciple Making Step 4 Video 2

Key Points:

- Disciple-making is simply a series of conversations, and our discipleship tracks provide a pathway for full circle faith.
- Invite, invest and empower to help discover truth one conversation at a time.
- God makes the seed of truth grow in the heart and mind of the seeker. **1 Corinthians 3:7**

Talk About It:

1. Who first shared their faith with you? How did they go about it, and why was it helpful to you?
2. Do you find sharing your faith difficult? Why or why not?
3. Invite, Invest, Empower – which one seems the most difficult to you? Explain.
4. Read **1 Corinthians 3:7**. How do you see this principle at work in your own story of faith?
5. Do you feel qualified to make disciples? If not, what would qualify you?
6. Make a list of a few people who might be interested in going through this track with you. Begin praying for those people.
